

K-Love radio is an uplifting station and is safe for the entire family to listen to. If you choose to display this station on a LPFM station, I feel you would take christian music away from a lot of people and would stop God's work from touching others. I feel K-Love is a great service to the community and provides great music for all ages. Please leave them alone right where they are. K-Love is aired on 91.1 which is the same as 911 for emergencies. Don't you see the connection there??? People need to keep the freedom of religion and be able to listen to this station.
